PREMIUM LAMINATE

WOORBLE

PREMIUM LAMINATE

WOORBLE is a next-generation manufacturer of PVC Laminates, based in Ahmedabad, Gujarat, India's hub for innovation and industrial growth. Established with the goal of transforming the way surfaces are designed and protected, WOORBLE brings together premium raw materials, design expertise, and a passion for quality.

We serve a diverse clientele ranging from architects, interior designers, contractors, builders, furniture manufacturers, and end consumers, helping them create functional and beautiful spaces. Whether it's residential interiors, office workspaces, retail stores, hotels, or large-scale infrastructure projects, WOORBLE laminates are trusted for their consistency, versatility, and long-lasting performance.
